Now choose between three different Triumph base models and your choice of **add-ons**.

Vanguard Manual - start engine **$12,497** (MSRP)

Honda Manual - Start engine **$12,997** (MSRP)

Honda Electric - Start engine, 7-amp charger, and 18 amp-hour battery **$13,747** (MSRP)

PermaGreen ADD-ONs:

Spot Spray Gun - $500

Spot spray from main tanks. Includes a 12-volt battery powered pump, 25’ coil hose, TriggerJet spray gun with adjustable nozzle, pressure gauge, and carrying pouch. Powered by the Electric-start battery or a replaceable Dewalt 12-volt 5 Amp Hour tool battery (Dewalt Battery and charger not included)

Auxiliary Tank Spot Spray System - $700

Spot spray from main tanks. Includes a 12-volt battery powered pump, 25’ coil hose, TriggerJet spray gun with adjustable nozzle, pressure gauge, and carrying pouch. Powered by the Electric- start battery or a replaceable Dewalt 12-volt 5 Amp Hour tool battery (Dewalt Battery and charger not included.)

Set of Front Air-Ride Soft Foam Tires -$600 (complete set)

Special foam has been tuned to feel like riding on our tires with 12 psi air pressure. Each tire weighs the same as our liquid filled tire plus the wheel weights. (Wheel weights are not included and the cost subtracted to reduce this price.)
